Profile

Junior Software Developer

Detail-oriented individual with **one year** of Mobile Web development experience looking to secure a **Front/Back end developer** position with any Software development or IT related Company.

Education

01.2016 - 08.2020

Tshwane University of technology
Programming

Experience

01.2020 - 07.2020

ICEP
Front end developer(IONIC)
Full-Stacker(PHP, HTML/CSS)
I was the master(full-stacker) of the first project they gave us, where we were using HTML/CSS for front end, and PHP for the back end part.

I then worked as a front end developer in a project where we used IONIC for the front end/client-side, and NodeJs for the server-side?back end.
